SHOWCASE RESEARCH

Present original work, exchange ideas, and receive valuable feedback.

BE INSPIRED

Engage in keynote sessions, panel discussions, and interactive events.

EXPERIENCE DUBAI

Discover the innovation, culture, and hospitality of one of the world's most dynamic cities.

ABOUT WORLDCUR

WorldCUR is one of the world's largest and most prestigious international platforms dedicated exclusively to undergraduate research, bringing together students, academics, and institutional leaders from across the globe. The Congress provides a unique opportunity for undergraduate researchers to present their original work, engage in interdisciplinary dialogue, and build meaningful international networks that shape the future of global scholarship.

HISTORY OF WORLDCUR

The World Congress on Undergraduate Research promotes undergraduate research in all disciplines. The Congress meets periodically once every three years at a different global university. Undergraduates of all levels are invited to submit an abstract to the Congress. Abstracts are peer-reviewed and those accepted will be invited to attend the Congress.

Congress fees are usually paid by the student's own university.

The call for abstracts is published by each host institution.

The 4th World Congress on Undergraduate Research takes place on 23 – 27 January 2027 in Dubai, United Arab Emirates.

Hosted by Zayed University in partnership with the Alliance for Global Undergraduate Research (AGUR), WorldCUR 2027 will welcome hundreds of student delegates representing a diverse range of disciplines and countries. The event will feature oral and poster presentations, keynote addresses from leading scholars, interactive panel discussions, a graduate school fair, and extensive networking opportunities designed to foster collaboration and innovation.

WHAT TO EXPECT

-  Oral and poster presentations
-  Keynote addresses from leading scholars
-  Interactive panel discussions
